

The Light of Four was founded earlier this year (2007) by four Perth Spirit Mediums with the intent of bringing messages from the afterlife into the community.

The work of Amanda, Jo-Anne, Lisa & Margaret is to provide people with demonstrated proof of the souls existence after our Earthly life.

People attending the Light of Four mediumship demonstrations have reported experiencing: healing, a clearer sense of self, an understanding of their life path, and a deep sense of love.

For other people it was just a brief glimpse of the eternal spark and an opening to the possibility that there may be more to life than they thought.

Whatever the expectation, experience and enjoy an evening at home with spirit, orchestrated by the Light of Four!
